

**This charging facility is a normal charging facility.
Charging will take some time.**

○ Usage Fee

This facility is **free to use.**

○ Available Hours

Available 24 hours a day (7 days a week)

Up to 2 hours per time to allow more people to use the service.

※Timer setting allows up to 2 hours of continuous charging.

○ Advance Notification of Use

Advance notification for use is required by one of the following methods

① Notification with "Smartphone"

Scan this QR code, and send the information → required by the dedicated form.

② Notification with "Usage Report Form"

Fill out an "Usage Report Form" provided on the roof post on the right side facing the charging station, and post it in the mailbox.

Please indicate the end time of the charging on the board above.

○ Precautions

Please cancel the use in case of bad weather.

In case of heavy rain, heavy snow, strong winds, lightning, or other inclement weather, please cancel the use of the facility. If inclement weather is forecast, the use of the facility will be cancelled in advance.

It may affect the operation of implantable cardiac pacemakers and implantable cardioverter-defibrillators. **Please keep the implanted portion of the medical electrical device away** from the charging connector, charging cable, control box, and charging stand when charging.

To prevent theft, please be sure to **lock your car while charging.**

○ Responsibilities of Users

Users are requested to observe the following items to ensure proper use of the charging facility.

- (1) Do not use for electric vehicles used primarily for commercial purposes, except in an emergency.
- (2) Move the vehicle immediately after charging is completed.
- (3) Do not engage in any activities that may disturb other users or residents in the neighborhood. (Especially at night, use the facility quietly.)
- (4) Do not engage in any activities that may damage the facility or equipment.
- (5) Do not engage in any other acts contrary to the instructions of the manager.

※Users who violate the above regulations may be subject to suspension or restriction of use of the charging facility.

○ Compensation for damage

When a user damages, defaces, or loses the charging facility intentionally or negligently, the user shall restore them to their current state or compensate for the damage.

○ Disclaimer

Users shall use the charging facility at their own responsibility, and the Town shall not be liable for any accidents during charging, damage to vehicles resulting from the use of the charging facility, or damage to the health of users resulting from the use of the charging facility.
