

Support Group of learning Japanese

「Kikyu no Kai」

Why don't you enjoy studying Japanese and arithmetic with us?

【What we do】

We are willing to give primary school students whose native languages are not Japanese and who live in or near Ota city some study support.

【Details】

We are a support group of learning Japanese, which originated from USUI International School, Japanese language school in Ota.

We will give special courses for studying Japanese and arithmetic in a very enjoyable way.

You can also learn how to use Japanese in daily conversations. Please join us!
